

OKLAHOMA MCO VALUES

Ensuring health care delivery revolves around the whole person to drive healthier outcomes and quality care.

STATEWIDE

By focusing on whole populations of Medicaid beneficiaries, we ensure care is consistent and properly coordinated across all access points.

LEVEL PLAYING FIELD

By encouraging a competitive, innovative marketplace, we expand options for high-quality health care.

RISK BASED

By taking on and preparing for financial risks in health plans, we provide long-term budget certainty for the state and protect the taxpayer.
